**New Zealand Working Holiday Visa | Available
from September 2026**

PROFILE

Norwegian working holiday visa holder looking for practical outdoor station work in New Zealand from September 2026. I come from several years as an auditor at PwC, but I am deliberately moving back toward hands-on work, long days outdoors and wanting to contribute some actual value. I am physically fit, reliable, quick to learn and ready for a challenge.

RELEVANT STRENGTHS

- Physically fit and comfortable with hard work, long days and outdoor conditions
- Practical renovation, maintenance and tools experience from own house and several other projects
- Reliable, disciplined and used to working under pressure for long hours from professional audit work
- Enjoy hiking, camping, fishing and hunting; comfortable spending long periods outdoors
- Honest about what I do not know; would rather ask questions than pretend I know something I do not
- Used to learning by doing, asking questions and working until the job is done properly

WORK EXPERIENCE

Auditor - PwC Norway | September 2022 - 2026

- Worked in professional audit teams with strict deadlines, responsibility and high attention to detail
- Built discipline, reliability, communication skills and the ability to work under pressure for long hours
- Used Excel, financial systems and structured problem solving daily

Retail / customer service - Meny Norway | 2013 - 2020

- Worked alongside school and university for several years
- Developed strong work habits, reliability and customer-facing communication skills

EDUCATION

Master in Business Administration - OsloMet | 2020 - 2022

Bachelor in Business Administration - OsloMet | Completed 2017 - 2020

- Included exchange semester in Hawaii during the 5th semester

LICENCES / CERTIFICATES

- New Zealand Working Holiday Visa
- International driver's licence (manual)
- Boat licence

INTERESTS

Hiking, camping, fishing, hunting, travel, photography, movies, video, cars and practical projects.
